SUBJECT: Training Objectives for Counterinsurgency

The President has noted with approval the establishment of an interdepartmental seminar on counterinsurgency at the Foreign Service Institute, entitled "Problems of Development and Internal Defense". This five-week course will commence on June 11 and will be repeated through the year.

The seminar has been established, in accordance with Paragraph 1 d. of the National Security Action Memorandum 131, to offer instruction on the problems faced by the United States in dealing with developing countries, including special area counterinsurgency problems, for the benefit of middle and senior grade officers (both military and civilian) who are about to occupy important posts in underdeveloped countries.

It is the wish of the President that all military and civilian personnel assigned to positions of responsibility at posts within Latin America, Africa, the Near East and Southeast Asia attend this five-week course prior to departing for their stations.
