23 NOV 62

1. At the pre-USIB meeting on 15 November in connection with the paper prepared by OSI on electronic transmissions, the Director expressed great interest in what was being done in the communications security field. He said he wanted to be sure that everything possible was being done to protect our communications, [redacted] 25X6 25X6

[redacted] The Director indicated that he would like the USIB to consider what COMSEC was doing, and particularly whether our views were being seriously considered by the Department of State.

2. This is for your action in collaboration with Executive Secretary of USIB.
