

**ACTION MEMORANDUM****OFFICE OF THE DIRECTOR**Action Memorandum No. A-64Date 18 October 1962

**TO : Deputy Director (Plans)**

**SUBJECT : Use of Joint Agreement Between General Carter and Ambassador Byroade Regarding Latin America Survey Team**

**REFERENCE:**

1. In view of the pains that [ ] and I went through in preparing a treaty with Ambassador Byroade as to what our Chiefs of Station might tell the visiting teams, I think you should look over this treaty with a view to adopting it as standard treatment for people who visit our Stations with a clear charter to inquire about intelligence matters. I am thinking of such folks as members of the President's Foreign Intelligence Advisory Board, members of the Special Group, senior members of the Intelligence Community such as Joe Carroll and Hilsman, and possibly members of the Congressional subcommittees charged with CIA matters.

2. It would seem to me that our Chiefs of Station could use this treaty no matter where they may be as guidance in discussing covert actions with such intelligence VIP's.
