MEMORANDUM FOR: Executive Director

THROUGH: Deputy Director (Intelligence) *RSC*

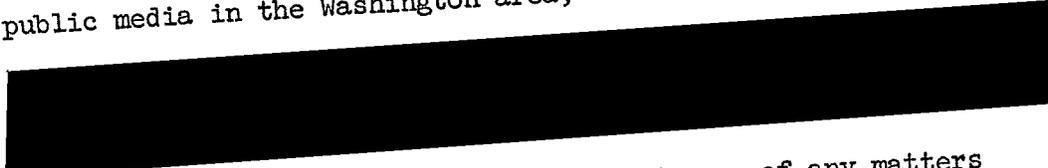

SUBJECT: Action Memorandum No. 260, dated 26 June 1963

1. In subject memorandum you requested that the Office of Operations and Graphics Register, when receiving requirements within the Agency which would necessitate communicating with the press, radio, TV, or other public media, discuss such requirements with Colonel Grogan prior to contact with the media.

3. This morning, Mr. Harrie James, Chief, Graphics Register, and I met with Colonel Grogan to discuss your memorandum. Colonel Grogan stated that he was not interested in our contacts with public media resulting from purely collection requirements. It was then agreed that I would request Contact Division:

a. To advise Colonel Grogan of all initial contacts with public media in the Washington area;

c. To continue to advise Colonel Grogan of any matters that might be of interest to him, to include any proposed articles or stories dealing with CIA, or any matters which might hit the press in conjunction with any CIA activities or personnel.

4. The above arrangements should furnish Colonel Grogan with the information which he requires while obviating the necessity to overwhelm him with notifications on purely collection requirements and actions.
