MEMORANDUM FOR: Executive Director-Comptroller

SUBJECT: Action Memorandum No. A-360, dated  
28 January 1964

1. The CI Staff is pulling together information bearing upon the questions raised in referent Action Memorandum. We should like to give you an oral briefing, in connection with the budget review of our programs for 1965, keyed to questions you have raised in your memorandum. We should prefer to make this presentation orally since reduction of this information to paper would be inordinately time consuming, and because we feel sure that we can make our presentation more meaningful by researching your questions in depth as we are doing and responding by oral brief at your convenience.

2. We should then be prepared to do further research and response to satisfy any additional questions that you may wish to raise as a result of our briefing. Please let us know when it would be convenient for us to present our briefing.
