We have been officially advised that an evaluation will be made of the Defense Intelligence Agency and that consultations will be conducted with the user agencies of Defense intelligence. The DCI has been asked to express his views concerning the responsiveness and effectiveness of DIA and its participation in the U. S. intelligence community. The DCI has asked Mr. Gross to prepare background material for him on community views in regard to DIA and has asked me to prepare for him the Agency views. He will be discussing the matter with Admiral Wellborn early in December. Please let me have brief comments on any views that you wish expressed to Admiral Wellborn by close of business on 4 December.
