I am advised that they are not receiving current publications at Fort Bragg, and that they believe this to be a considerable gap in their library, particularly in reports on the situation in Vietnam. Can you check and see what they are receiving and also what we have available that they might receive.

Remarks:			
<p>OCR does not disseminate directly to the JFK Special Warfare Center. Walter Pforzheimer's memorandum (attached) is correct in assuming that the requirements of the Center are serviced by DIA.</p> <p>In view of the prospective visit of the G-2, Bragg, an opportunity to examine his receipts and to brief him on possible gaps would seem the best next step. It appears likely that some current publications are being received.</p>
