MEMORANDUM FOR: Deputy Director/Support

SUBJECT : Possible Retention of Insurance

1. In working out the details of my leaving the Agency I would like to raise the question of being able to keep the WAEPA and UBLIC insurance policies if I continue in some form of employment relationship to the Agency such as consultant or WAE.

2. In view of our recent experience with [redacted] it occurs to me that it might be preferable, particularly from a financial viewpoint and in view of the heavy commitment (at least for the next several months) of the long-range plan, if I had a WAE rather than a consultant status.

3. Would you check these items and let me have a reading, please?
