Mr. Roger Hillsman, Jr.
The Director of Intelligence and Research
Department of State
Washington 25, D. C.

Dear Mr. Hillsman:

I am enclosing a copy of the report by the Director of Central Intelligence on the status of actions taken to implement all of the Joint Study Group recommendations as of 21 August 1961.

I thought you would be interested in noting the actions being taken in addition to those of direct State Department concern.

I would also like to express appreciation for the consultations and liaison during our preparation of this report which your staff had with Mr. Sidney Buford, the member of the Coordination Staff assigned from the Department of State. I hope and believe that this cooperative relationship will continue to prove of mutual benefit.

We are also grateful for receiving a copy of the report by the Secretary of State on the status of State Department actions to implement approved Joint Study Group recommendations.

With best regards.

Sincerely,

[Redacted Signature]
