FEB 11 1960

Dear Allen:

In compliance with your request at the USIB meeting of Tuesday morning, we have prepared a table summarizing Cuban sugar sales to the USSR and to the United States and other free world countries. The table, which shows the price, volume and estimated value of sales to each of these markets in the period 1955-1960 is attached. I am also enclosing a summary table prepared by the Bureau of Inter-American Affairs for limited distribution to the press.

Sincerely yours,

*Hugh*

Hugh S. Cumming, Jr.
