Honorable John S. Patterson
 Deputy Director, Office of
 Defense and Civilian Mobilisation
 Washington 25, D. C.

Dear Mr. Patterson:

Mr. Dulles has referred to me your letter of 30 July 1958 requesting a progress report on physical security safeguards against possible covert attacks as set forth in paragraph 16 of NSC 5802/1.

The information furnished in our initial report on this subject, dated 11 May 1956, and my letter of 24 May 1957 is still valid. The physical security measures being taken at our installation are under constant review and at this time we feel that they are adequate to meet the situation.

Sincerely,

SIGNED

L. K. White
 Deputy Director
