Dear General Snedeker:

I have your letter of 14 December and am enclosing some biographical information for you to include in your bulletin.

In regard to the transportation to and from Quantico, the arrangements will be handled by my office here; however, it was very thoughtful of you to offer to furnish this for me. I will be glad to stay for the luncheon following my talk and I am looking forward with much pleasure to this particular occasion.

With my best wishes for the New Year,

Sincerely,
