to us -*

1. Memorandum from [redacted] stating that "weekly [redacted] report which previously has been prepared and transmitted by the Saigon Station and distributed to the prescribed list of addresses by CIA in Washington will henceforth be submitted by the Ambassador in Saigon as a weekly Embassy report. The DD/I officer at the Saigon Station will remain the drafting officer of the message but transmission will be handled by the Embassy and State Department in Washington will be responsible for appropriate distribution." (ER 62-6484)
