MEMORANDUM FOR THE RECORD

Morning Meeting of 15 September 1966

ADD/I mentioned that OBI is engaged in an extensive project to produce a detailed twenty-map portfolio of China based on satellite photography but declassified for release to the public. It should be ready in the spring of 1967.

Godfrey gave the Director a briefing paper in connection with the meeting of the National Security Council today covering problems in the upcoming session of the General Assembly. He also provided an advance copy of a special OCI Weekly Review article on the same subject.
