MEMORANDUM FOR THE RECORD

Morning Meeting of 13 September 1966

[redacted] noted that he would like the Director to have a fifteen-minute briefing with regard to the USIB meeting scheduled for Friday at Fort Meade.

DD/S&T mentioned that Mr. Rostow will be briefed this afternoon on the Soviet ABM question and that he felt it would be valuable for the Director to have the same briefing at some future time. He announced that Professor Kistiakowsky is resigning from the Hyland Panel.

DD/S&T said that many of the principal DD/S&T officers would be at [redacted] this Wednesday, Thursday, and Friday, during which period Duckett will be Acting DD/S&T. He noted that Duckett is in New York today briefing Ambassador Goldberg on the Soviet space program.

DD/S&T initiated a discussion on the talks currently being held with [redacted] for a [redacted]

DD/S&T summarized DD/S&T's examination of three recent newspaper articles concerning U. S. intelligence on large Soviet rockets gained through satellite reconnaissance. The Director said he had turned this problem over to the USIB Security Committee and directed DD/S&T to pass the background documents to Howard Osborn.
