MEMORANDUM FOR THE RECORD

Morning Meeting of 31 August 1966

25X1 DD/I reported on the highlights of yesterday's Preparedness Subcommittee hearing which he attended. He noted that Senator Margaret Chase Smith initiated a discussion with the Secretary of State which was complimentary to the Agency. The Director asked [redacted] to acquire some copies of the transcript.

DD/I noted that a letter has been sent to Admiral Rufus Taylor, listing several discussion points in relation to the post mortem on the warning estimate.

25X1

DD/I [redacted] noting that additional evidence was acquired indicating that the Soviets are deploying a long-range surface-to-air missile system. Also, the evidence continues to indicate that the Chinese are preparing for another nuclear test at Lop Nor.

Godfrey reported that, as a result of his review of distribution of the CIB outside the Agency, it has been decided to eliminate the distribution listing which formerly appeared on the back cover.

25X1 [redacted] noted that there will be no USIB meeting this week.

DD/S reported that State Department has raised its post differentials. He noted that the most significant changes were in the upper grades.

DD/S reported that the JCS has completed its study on military personnel serving in other agencies. The Agency's complement was approved without change.

DD/S reported that he will start jury duty tomorrow.

25X1 [redacted] reported that he met with Chet Cooper yesterday to be briefed on his new assignment. Cooper is planning to visit the Agency in the near future.
