Deputy Director
Central Intelligence Agency
Washington, D.C. 20505

Dear Admiral Taylor:

Our hearty thanks to you and your staff for speaking to the Conference for Business Executives on May 12. They were very pleased to have a briefing on the Agency, and to have an opportunity to discuss matters with you and your staff. They were quite impressed, and the consensus was that the visit to CIA was one of three best sessions of the week's program.

We deeply appreciate your assistance with this group.

Yours sincerely,

Richard B. Simons
