MEMORANDUM FOR: Director of Training

**SUBJECT : Luncheon and Briefing for the Brookings
Institution Advisory Committee on
Business Operations**

1. Walter Held of The Brookings Institution telephoned me yesterday and asked if CIA would be willing to entertain their Advisory Committee on Business Operations on 15 February.

2. Attached is a listing of those business executives who have been and will be invited by Brookings. The Director has agreed to host a luncheon which will be followed by a presentation similar to the one we plan to give the ten groups participating in the Brookings "Conference for Business Executives on Federal Government Operations" beginning on 20 January. I understand that the Advisory Committee will arrive here at about 1 p. m., probably accompanied by President Caulkins, Kermit Gordon, Jim Mitchell, and others from Brookings.

3. Please accept the responsibility for arranging this program. Walter Held should be your point of contact at Brookings.
