11 JUL 1966

MEMORANDUM FOR THE DIRECTOR, NATIONAL SECURITY AGENCY

SUBJECT: Implementation of the National ELINT Plan (NEP)

**REFERENCE: Your Memorandum, Same Subject
10 March 1966, Serial N 0361**

1. Inclosed is the first CIA report on the implementation of the National ELINT Plan. As a convenience to the ELINT Advisory Group in their assembly of reports from other participants, the items are reported in the same sequence as they appear in the National ELINT Plan.

2. We feel it is premature to suggest revisions until the EAG has had time to study the reports from the various elements of the Department of Defense.

/s/ Richard Helms

Director**

**Inclosure:
CIA Report on Implementa-
tion of the National
ELINT Plan**

NSA review(s) completed.

P1.38

GROUP 1
Excluded from automatic
declassification

SECRET

This material contains information affecting the national defense of the United States within the meaning of the espionage laws, Title 18, USC, Secs. 793 and 794, the transmission or revelation of which in any manner to an unauthorized person is prohibited by law.

SECRET

INCLOSURE

CIA REPORT ON IMPLEMENTATION OF THE NATIONAL ELINT PLAN

A. RESPONSIBILITIES AND MANAGEMENT

On 28 March 1966, CIA dispatched copies of the NEP

[redacted] We noted that this is a management tool, not a directive, and does not supersede existing directives. We further suggested that it could prove useful in the improvement in our managerial and coordination practices.

25X1

B. REQUIREMENTS

It is noted that CIA requirements (routine) for ELINT are simultaneously registered by NSA and DIA.

C. COLLECTION

CIA has provided NSA with data to incorporate in its register of technical collection resources. These data will be updated upon significant change.

D. PROCESSING

CIA and NSA have recently concluded an arrangement by which NSA assists in [redacted]
