Deputy Director's Staff Meeting

Monday, 8 January 1951

There was discussion of the arrangements to be made for the Director's trip to Japan. Mr. McConnell asked Mr. [redacted] to see that the administrative and transportation details were taken care of.

25X1

Mr. McConnell asked that a discussion of the Situation Room be placed on the agenda of the Assistant Director's meeting.

Mr. McConnell said that the Army had informed us that our reserve officers either were to be called to active duty or to go in the honorary reserve without any reserve benefits. It was decided not to place this item on the agenda until the Director had decided whether or not to appeal it.
