DAILY STAFF MEETING

Monday, 16 July 1951

25X1

[redacted] gave a brief report on our Semi-Annual Report to the Congressional Committee on Atomic Energy matters. It was noted that Air Force, while not submitting an actual dissent, did submit additional comments. The DCI instructed [redacted] to publish and disseminate this report, together with Air Force comments. Mr. Reber will so inform General Cabell.

25X1

[redacted] briefly discussed the problem of the responsibility for preparation of papers dealing with Communist activities abroad, and in particular their activities [redacted]. He noted that recently such a paper was produced by OPC for Mr. Dulles. This led to a general discussion of liaison between the several [redacted] offices. Mr. Reber noted that this matter is now under discussion.
