

TOP SECRET

DAILY STAFF MEETING

Wednesday, 1 August 1951

25X1 Mr. [] reported on the meeting of the D/DCI, Dr.
 25X1 Chadwell, Mr. Reber and Comdr. [] regarding scientific
 25X1 intelligence. AD/SI will prepare a paper on this subject for
 25X1 DCI, which may be presented to the IAC and possibly the NSC.

25X1 Mr. [] noted that [] was experiencing con-
 25X1 siderable difficulty in getting his "papers" through our
 administrative channels for his assignment [] Adminis-
 tration will check into this.

25X1

[]
 He also noted that
 Ambassador Gifford believes that the new Soviet peace feelers
 might possibly indicate a "middle-of-the-road" policy for the
 next few years in order to lull the Western Powers into a feeling
 of false security and thus curtail our preparations for war.
 Ambassador Gifford stated that the Soviet had followed such a
 policy during the 20's and middle 30's. He has suggested that
 the Russians be approached again on an Austrian peace settlement
 in order to determine their actual peace intentions.

25X1

Colonel Hansen reported that our [] authorization
 for a new CIA building has been reported out of the Committee
 and is now before the House. It will probably go to the Senate
 in about two weeks. It may be necessary for the DCI to see the
 Chairman of the Senate Committee and it has been recommended
 that at the same time the Director tell Senator Byrd of our
 25X1 proposal to build a new office building in Virginia, and also to
 brief him [] Colonel
 Hansen will discuss these matters with the DCI.

25X1

Colonel Hansen also noted that a reply to Mr. [] had
 been drafted and accepted by General Davison. At the present
 time we shall neither deny nor confirm the fact that State
 Department had at one time recommended that CIA establish a
 Far Eastern Policy Committee.

25X1

Mr. Reber raised the question as to whether the items on the
 Agenda of the last AD's Meeting were worthwhile for discussion.
 Mr. [] stated that he thought these items were worthwhile
 and should have been discussed at the meeting.

25X1

Mr. [] stated that in spite of our increased authoriza-
 tion, we were still not getting bodies from the military. Mr.
 25X1 [] reported that he had received a call from Colonel
 Randall in Mrs. Rosenberg's office, and suggested that possibly
