MEMORANDUM FOR: The Record

At the Deputies' Meeting on 27 July 1960 the Director reported on his luncheon with Secretary Herter and Ambassador Bohlen on 26 July. He noted that the Department of State is concerned over whether Powers, during his trial, will testify to the fact that

countries. Mr. Helms commented that he had engaged in considerable discussion of this problem with State and it had about been agreed that should this come out, our formula would be that these flights were test and peripheral flights over friendly nations.
