

TOP SECRET

Official Diary

Thursday, 27 September 1951

Talked to Mr. Carey about [redacted] and asked him to speak to State Department and mention the possibility that he had gotten off a letter.

25X1

[redacted]

25X1

Colonel Drum called in regard to projects. I have cancelled the PRC meeting for this week.

[redacted]

25X1

Mr. Reber called and said that Admiral Johnson quoted Admiral Davis as having agreed to the controversial Soviet estimate being produced through IAC channels and not JIC. Called Dr. Langer and told him to go ahead with this as fast as possible and that I would get Mr. Dulles' approval.

25X1

Dr. Andrews (OCD) called, saying that Mr. Gray's office had asked for NIE 19. Told him I understood that they had been authorized all NIEs but that I would check this. In the meantime, authorized their having NIE 19.

[redacted]
