MEMORANDUM FOR LT. GENERAL W. BEDELL SMITH

Here is a memorandum summarizing the data  
obtained from  and  
drawing certain tentative conclusions from them.

STAT

If you wish to get this project going,  
it will be necessary to have your proper branch take  
hold of it both for intelligence and black propaganda  
purposes.

As a lot of valuable time has been lost  
and before the number of self-operating groups become  
confused, it is necessary to tie their efforts in  
under your control.
