

Mr. Dulles:

This is to remind that you wish to call Congressman Holifield about appearing before the Joint Committee on Atomic Energy in connection with [REDACTED]. You also indicated that should you do this, you would brief the committee on [REDACTED] case. You said you wanted to clear your appearance with the White House and mention it to Messrs. Cannon and Kilday.

The Atomic Energy Act of 1954, as amended, does not specifically provide for CIA by name to appear before the Joint Committee on Atomic Energy. However, Section 202 of the Act states, "... Any Government agency shall furnish any information requested by the Joint Committee with respect to the activities or responsibilities of that agency in the field of atomic energy..."
