MEMORANDUM FOR

Honorable Edward A. McDermott  
Director  
Office of Emergency Planning

I have reviewed the report of the Executive Stockpile Committee on "Disposing of Excess Stockpile Materials," and I approve Recommendations Nos. 1 through 14.

Although we should maintain an adequate stockpile of strategic materials, we should dispose of the materials that are in excess of our needs. Such disposals should be made in the light of our national interest and our desire to avoid any serious disruption of the markets. The development of long-range disposal policies and plans should proceed in anticipation of enabling legislation.
