~~DOJ~~ ER

Dear Pete:

I want to thank you for the assistance which you provided in conjunction with our Cornerstone Ceremony at Langley on 3 November.

During the late stages of preparation for the Ceremony, we found that the roar of the planes climbing out of the National Airport over the site was deafening. We much appreciate your having undertaken on such short notice to reroute traffic away from the site during the Ceremony.

Sincerely,

Allen W. Dulles  
Director
