Dear Mr. Feighan:

I have been kept apprised of your interest in the sensitive matter which representatives of the Agency have discussed with you.

I hope that your decision in the matter was based, at least in part, on confidence and trust in our organization. The members and the staff of the House Immigration Subcommittee have been most helpful in the past in understanding some of our rather unique problems. We, in turn, have attempted to be of assistance insofar as possible to the Subcommittee and the staff.

I want you to know that I personally appreciate your cooperation.

Sincerely,

John A. McCone  
Director

MEMORANDUM FOR: THE DIRECTOR

*DB* *WB*

Attached is a proposed letter for your signature to Senator Humphrey thanking him for his letter to you enclosing a Study entitled "Economic Impact of Arms Control Agreements." Note that it is classified CONFIDENTIAL and only 150 copies were printed. In the preface there is an exchange of correspondence in which Secretary McNamara advised that publication would not endanger national security. However, Senator Aiken advised Humphrey by letter printed in the preface saying he thought this should not be handed on a platter to the Soviets since it was a detailed study relating to the resources of the country devoted to the defense

Honorable Clarence Cannon  
Chairman  
Committee on Appropriations  
House of Representatives  
Washington 25, D. C.

Dear Mr. Cannon:

For your information, I am enclosing a copy of the Agency communication to the Speaker of the House dated 14 August 1962. That letter transmitted a legislative proposal to permit the Agency to improve its retirement program for certain limited numbers of employees. Basically, the legislation would permit the Agency to apply to this group of Agency personnel a retirement system similar to that of the Foreign Service.

On 16 August 1962, Mr. Vinson introduced the proposed legislation which is now H. R. 12923. Thereafter, on 28 August 1962, in executive session before the House Armed Services Committee, hearings were held on this bill. During the course of the House hearings Mr. Vinson requested the Agency, as a drafting service, to revise the proposed legislation so that it did not incorporate by reference legislation pertaining to other departments and agencies. Pursuant to his request, such a bill has been drafted by the Agency to accomplish the same objectives as H. R. 12923. A copy of this revised legislation is enclosed.

This legislation was the principal item which Mr. McCone had wished to discuss with you when he dropped by your Capitol office on 16 August and was the matter I wished to discuss when I called your office on 27 August. If further information is desired concerning this proposal, I shall be happy to supply it upon request.

Faithfully yours,

Marshall S. Carter  
Lieutenant General, USA  
Acting Director
