31 MAY 1963

Dear Mr. Walter:

STAT

Thank you for your letter of 24 May concerning the application of [redacted] for employment with our Agency.

STAT

[redacted] initially contacted us in August 1962 in connection with his interest in service with us, and subsequently submitted formal application papers for our consideration. His application was first considered in connection with a special training program for junior officers entering the Agency on a career basis and later for other openings which might take advantage of his background. However, we did not locate an appropriate opportunity for him. He was advised of this result in a letter dated 13 May 1963, a copy of which is enclosed for your information.

Your interest in writing to us on [redacted] behalf was appreciated. You may be sure that he will receive every consideration if a suitable vacancy should develop at some future date.

Sincerely,

STAT

31 MAY 1963

Since we were last in touch with you, we have reached the stage of making final selections for appointments to the Junior Officer Training Program discussed with you. Your enthusiasm for participating in this program was noted and appreciated and it is therefore with special regret that we must now advise you that you were not among the candidates named for appointment. We have attempted to locate other opportunities for you but were unsuccessful.

The standards applied in the initial screening of candidates for this program are quite severe. The number of candidates qualifying for further consideration is relatively small but even so is large enough that the competition is keen for the limited number of appointments we can make each year. Thus, while we can understand the disappointment which our decision must bring you, we hope that you will not feel that your qualifications have been considered inadequate in any serious respect.

We want to thank you again for your interest in our service and your patience and cooperation in the selection processes. We are confident that a young person of your talent and ability will find many other opportunities of challenge and interest and we wish you every success in your career.

Sincerely,

Signed
