Dear Senator Kennedy:

Because of your interest in Mr. [redacted], we are writing to advise you of the results of his application for employment with us.

STAT

Mr. [redacted] was tentatively selected for our Junior Officer Training program and formal processing was undertaken with regard to his possible appointment in that program. However, a number of well qualified candidates had applied and the competition for a limited number of appointments was severe. As indicated in our letter to Mr. [redacted], a copy of which is enclosed for your information, he was not selected in the final screening of this group. His file was also reviewed in light of other current openings but a suitable vacancy was not located.

STAT

We appreciated your interest in Mr. [redacted]'s application and regret that we cannot offer him employment at this time.

Sincerely,

[redacted]

Since we were last in touch with you, we have reached the stage of making final selections for appointments to the Junior Officer Trainee Program discussed with you. Your enthusiasm for participating in this program was noted and appreciated and it is therefore with special regret that we must now advise you that you were not among the candidates named for appointment.

The standards applied in the initial screening of candidates for this program are quite severe. The number of candidates qualifying for further consideration is relatively small but even so is large enough that the competition is keen for the limited number of appointments we can make each year. Thus, while we can understand the disappointment which our decision must bring you, we hope that you will not feel that your qualifications have been considered inadequate in any serious respect. We did explore possibilities for you in other areas of the Agency, but were unable to locate a suitable assignment for you.

We want to thank you again for your interest in our service and your patience and cooperation in the selection processes. We are confident that a young person of your talent and ability will find many other opportunities of challenge and interest and we wish you every success in your career.

Sincerely,

Signed

E. D. Bohls
