Executive Order 11652
63-4579

5 JUN 1963

Honorable Edward J. Derwinski
House of Representatives
Washington 25, D. C.

Dear Mr. Derwinski:

Thank you for your letter of 23 May to Mr. Echols on behalf of
STAT Mr. [redacted]

STAT We can appreciate Mr. [redacted] desire to learn specifically why he was not offered employment. The simple fact is, however, that there were no specific factors which taken alone led to the decision that he did not fully meet our overall standards of employment. These standards are necessarily broad and go beyond the question of an applicant's ability to perform a particular job. They include such factors as health, stability, character, and reputation, as well as intellectual abilities, aptitudes, training, and experience.

STAT Mr. [redacted] was considered for a position as a Communications Technician (Cryptographic). In this field of work, it is important that our employees be fully qualified technically and that they be equipped to serve in all parts of the world under varying conditions of stress and hardship. In our overall assessment of Mr. [redacted], we concluded that he did not measure up to the total requirements for such employment. STAT

STAT As a result of your inquiry, we have reviewed Mr. [redacted]'s file to determine if there were any possibility of a different conclusion if he were again considered for such employment. However, there appears to be no reason to believe that the general factors which influenced our earlier decision would have changed materially in the 18 or so months which have elapsed. STAT

STAT I hope this explanation will be helpful to you in responding to
