The Honorable Cyrus R. Vance  
The Secretary of the Army  
Washington 25, D. C.

Dear Mr. Vance:

I wish to express the appreciation of the Central Intelligence Agency to the Department of the Army for the excellent assistance furnished in support of our recent training program. It has been reported to me that all the Army personnel concerned with the program contributed excellent support in a most cooperative manner.

It would be appreciated if the fine work of the participating officers and enlisted men could be brought to the attention of their commanders. The names and organizations of these men are attached.
