Washington 25, D. C.

Dear Fred:

Thank you very much for your letter of 26 March enclosing the biographic data on [redacted], who indeed possesses a comprehensive and interesting background.

I had purposely held off writing to you for a few days in the hope that I might have a more definite reply to give you as to the possibilities of our making use of [redacted] qualifications. However, we have not quite finished some of our explorations in this matter and I wanted to let you know that when we have done so, I will be in further touch with you about the Admiral.

Sincerely,

John A. McCone
