30 JUL 1959

29 July 1959

MEMORANDUM FOR: Deputy Director (Intelligence)

The attached was written by Gen. Robert Cutler at the request of the Director for publication in "Studies in Intelligence." The question has been raised whether it needs to be classified. Gen. Cutler thinks it does not need classification and Messrs. [redacted] and Coyne agree. The Director would like to have an Agency opinion and asked that I refer it to you for consideration.
