Dear "Cassy": Mr. Jones:

A copy of your column of 16 June 1961 in the Syracuse Herald-American has been brought to my attention.

I am personally appreciative of the things you have said in this column on CIA and its activities and on its Director. As your wartime services in Washington would show you have an inside knowledge of the need of centralized intelligence in our Government.

More power to your vital pen.

Sincerely,

**SIGNED**

Allen W. Dulles  
Director
