STAT

Hon. Robert Moses

[Redacted]

Dear Bob:

I appreciate your letter of February 27, and the interesting and excellent suggestion it contained.

STAT

[Redacted] is a great friend of mine, and I have the highest regard for him. I know of no one who has been more helpfully cooperative with us than he.

Unfortunately, we do not have at the moment any vacancy among the relatively limited number of high level jobs we have here. However, I hope to be talking with [Redacted] in the near future, and will discuss with him his problems and ours, in the field of his particular interests.

STAT

It was good to hear from you.

Sincerely,

SIGNED
