Dear Earl:

With reference to your letter of April 12 I have written the enclosed letter to Dean Stewart of the Fletcher School. I thought it was best to try it myself rather than to ask my Boss, as he has so many things on his mind these days with preparation for the Summit, foreign travellers, not to speak of legislative, defense and Congressional problems. I hope what I have said will fill the bill.

Also many thanks to you and with it my formal confirmation to stand back of the assurances you have given Professor Korowicz in your letter of April 12.

Faithfully yours,

*A. W. Dulles*

Mr. Earl Newsom,
