Mr. David Rockefeller  
Vice Chairman, Board of Directors  
The Chase Manhattan Bank  
Eighteen Pine Street  
New York 17, New York

Dear David:

I want to thank you very particularly for the most interesting memorandum which you sent me. It was most helpful. While it was in agreement with our somewhat sketchy material, it gave many details not available to us. We are of course handling this with complete discretion. Again thanks.

Sincerely yours,
