Allen W. Dulles  
Central Intelligence Agency  
Washington 25, D.C.

Dear Allen:

I shall have to be in Washington on Friday, the 23rd. I shall be busy with other things but would like, if possible, to get about five minutes of your time. I will telephone to see if I can get an appointment at your convenience in the day. If you cannot possibly see me there, I shall be back in Washington the 5th, 6th and 7th of February but I would like to see you soon although what's on my mind is not extraordinarily urgent.

Sincerely yours,

*Norman Thomas*
