MEMORANDUM FOR: Colonel White, Deputy Director/Support

I had a telephone call yesterday from Congressman Dean Taylor of Troy, New York, who wished to intercede on behalf of Mr. [redacted] whose curriculum vitae is given on the attached memorandum. He hoped that [redacted] might be considered for some architectural advice in connection with the building. I explained to Congressman Taylor that we had already, some weeks ago, selected an architectural firm and while I did not know what consultants they might wish to have, this matter was entirely in their hands. I offered to tell him in confidence the name of the firm, but he said that this was not necessary. Congressman Taylor seemed to be satisfied.

I suggest you mention this to Harrison and Abramovitz the next time either of them is down here.
