Dear Leo:

I appreciate very much your consideration in sending me a copy of the Donovan Commission report on the Communist redefection campaign. The subject is a most important one, worthy of the most careful study, and I am sure that the efforts of the International Rescue Committee will add up to vital contribution toward a solution of some of the problems surrounding it.

As you are aware, a number of agencies, both private and governmental, are actively working toward an improvement in the circumstances in which many escapees find themselves. As remedial action is aggressively taken, the difficulties the Communists exploit will be removed.

Sometime when you are down here or I am in New York perhaps we can discuss further any matters you feel are pertinent but which may not have been covered in the report itself.

Sincerely,

SIGNED
