MEMORANDUM FOR: Deputy Director of Central Intelligence
VIA: Deputy Director (Support)
SUBJECT: Orientation for Senior Military Personnel
(Project USEFUL)

1. This memorandum suggests action on the part of the Deputy Director of Central Intelligence. Such action is requested in paragraph 2.

2. You are invited to welcome the senior military personnel who will attend the annual CIA orientation to be conducted during 27 October through 7 November 1958. As in previous years, these officers are selected by the Joint Chiefs of Staff from among senior personnel of the four Armed Services who are concerned with the planning of wartime operations. We will provide them with an orientation concerning the organization and mission of CIA, and the Agency's capabilities to support military operations in wartime.

3. The Agency's relationships with the military and the effectiveness of the course will be enhanced by providing these officers an opportunity to meet with you. They will assemble for the opening session on Monday, 27 October 1958 at 0930 hours, in Room 153 (auditorium) [redacted]. It will be appreciated by all concerned if you welcome them at that time. A schedule of the course is attached and a roster of the class will be forwarded to you when the final roster is received from the Joint Chiefs of Staff.

25X1

4. I am requesting by separate correspondence that the Director close out this Project on the last day by appearing at 12 noon on 7 November 1958.
