

ER-8-5425/A

AUG 13 1956

The Honorable James E. Murray
Chairman, Committee on Interior & Insular Affairs
United States Senate
Washington 25, D. C.

Dear Mr. Chairman:

I refer to your letter of 8 August 1956, regarding information on titanium metal and products.

Before your letter reached this office Mr. Paul, my Legislative Counsel, had forwarded a report, dated 9 August 1956, containing the latest unclassified information on this subject, which I hope will be of use to your staff.

We appreciate your continuing interest in this matter, and we will keep you currently informed on further data which we receive on this subject.

Sincerely,

Allen W. Dulles
Director
