Dear Mr. Heller:

I have your letter of June 18 with regard to your project to write a book entitled: JOHN FOSTER DULLES, SOLDIER FOR PEACE. As you can well appreciate, there are quite a number of people who have already approached me with various projects for writing books relating to my brother.

The subject is, of course, now in the public domain and I can readily understand the high motivation of both writers and publishers in this matter. In each case, and without being in a position to favor one enterprise as distinct from another, I shall do what I can to be helpful within the limits of time available to me.

Sincerely,

*AWD*
