Allen Dulles Esq.  
Director, Central Intelligence Agency  
Washington

Dear Allen:

I am coming down to lunch with Jim Douglas on July 1st., and to spend the day in Washington. If by any chance you would like me to call upon you, perhaps between now and then your secretary would call Miss Kinkaid in OSAF and let me know ?

If, however, you are all tied up I shall quite understand, as I said in my letter to you.

Sincerely yours

*Francis D.*

MR. DULLES:

Col. Grogan recommends that you see Mr. Drake. He was for some time an advisor to the Secretary of the Air Force (Talbott) and he is known as a publicist for the Air Force.

Shall we set this up?
