OFFICE OF THE DIRECTOR

Assistant Director
The Clinical Center
National Institutes of Health

Dear Bob:

In line with our telephone conversation, I am enclosing herewith a copy of a book and eight pamphlets or papers written by Clara J. Fonti on the subject of her cancer research. Your office had previously expressed an interest in seeing this material at the time we received a letter from a [redacted] STAT who wrote from New Jersey. Apparently he communicated with Dr. Fonti through one Dr. Mary Voornemau, who resides in The Hague.

Dr. Fonti delivered this material to the U. S. Consulate in Milan and it was in turn forwarded to us from there. She apparently also left with the Consulate copies of the same material to be forwarded to President Eisenhower and Attorney General Rogers. At the same time she sent a note to Mr. Allen Dulles saying that she had delivered these materials which contained all of her published formulas and findings. She also stated that she is at the complete disposal of the physicians attending Secretary Dulles.

I might add that in transmitting Dr. Fonti's book the Consulate in Milan commented that she appears to be considered a highly respectable and reputable doctor in Italy.

I am also enclosing the original and translation of the other letter I mentioned to you from M. Paul Girard dealing with his 25 years of self-study in cosmobiology.

I would appreciate any suggestions you might have as to appropriate replies to Dr. Fonti and M. Paul Girard.

Hon., Mr. Allen Dulles/ Chief Of-
The United States Central Intelligence Agency
The State Department, Washington.

Dear Mr. Dulles:

I read your article about Iraq in New York Times and it seems to me very interesting to know that it started to bring some concern to us American after we learn that the Russian infiltration in progress in that country and you still believe at least as I always do believe that no Arab country will go Communist if we Americans know the remedy and the answer.

The present premier of Iraq is the same as any leader that loves his country also devoted to his post to serve the people without any foreign obligations or entanglements as in the past where so many red tape is involved where it must not be in order to assure that nation of our positive attitude Democratically.

WHY KING FEISAL, HIS UNCLE ABD AL-ALLAH, AND THE IRAQI PREMIER NURI AS-SAID WERE KILLED AND MURDERED IN AN OVER NIGHT REVOLUTIONARY COUP DE TETE, IAM SURE YOU MUST HAVE THE ANSWER.

To us Americans it is water over the Dam, but I would like to say it was our fault as well as the British by our improper application of our foreign aids intelligently and in the benefit of all the people and not just one nation which still considered in the very minority between the huge 75 millions MOSLUM.

IRAQ WILL NEVER GO COMMUNIST IF WE KNOW HOW TO HANDLE THE PROBLEM WITHOUT THE HELP OF THE BRITISH, AND IAM SURE THE ARAB WILL AGREE WITH THIS BECAUSE ENGLAND AT PRESENT IS DANCING ON THE TWO ROBES AND IAM SURE YOU MUST KNOW THE ANSWER TOO.

I already suggest to president Eisenhower to replace the Baghdad Pact to a similar Organization as the North Atlantic Treaty Organization and elect a Chairman to lead it through the Arab League, Israel can becomes a member too , IF NOT /WHY NOT?.

HOW LONG THE ISRAELI AND THE ARAB PROBLEM MUST LAST SIR?. THE UNITED STATESNEVER DID PROPOSED ANY SUGGESTION IN SIMILARITY IN ITS SUBSTANCE TO HELP EXPEDITE THE PEACE BETWEEN THE TWO NATIONS.

THE UNITED STATES NEVER APPOINTED A REAL AMBASSADORS WITH A GOOD WILL IN THEIR HEARTS FOR PEACE BETWEEN THE TWO NATIONS BUT ALWAYS WORK FOR THE INTEREST OF ONE AND THAT ONE IS THE ONE IN THE MINORITY.

The refugees problem never could be solved where 1,000,000 refugee still in their 11th, year in exile lost their birth rights, personal belongings, their savings, and their parents too and until now nothing in sight to bring about the settlement of the refugees and their compensation.

When you play cards Mr. Dulles every card counts regardless of the game and so the refugee's problem, IT MUST BE SOLVED FIRST BEFORE UNITED STATES CAN START TO PLANT ITS INFLUENCE OVER THERE AND IN THE HEART OF THE PEOPLE AND NOT FEW OIL WELLS COMPANIES'S INTEREST.

Iam writing this letter to you directly so you can get the benefit of it and relay its contents to those in higher and authority that can impress on our CONGRESS to pass a bill to allow more refugees entering the United States and so doing we will plant an OAK TREE on the head of the Communist nation and let its roots goes beyond their hearts until it hurts.

Trusting that you will enjoy some of my remarks and I hope some benefit you can get out of it because Iam sure no Islamic nation will go Communist unless we pushed them into it and you know how we can do,it too.

With best wishes I remain.

Truly yours,

Alfred A. Feisal
