Dear Roy:

Many thanks for your thoughtful messages. Foster is doing as well as we could expect and now we will see how the treatment which will be started tomorrow will operate.

About your friend, [Redacted] I do not feel frankly that this is the sort of thing that Foster will be able to take up for many weeks and I would feel it preferable as far as you are concerned that you deal directly with the State Department. If he has seen Herter, I am sure that he is in good and sympathetic hands and if I can be of any help in the future, I should be glad to do so.

Sincerely,

Mr. Leroy S. Foster
