Honorable Allen W. Dulles  
Director of Central Intelligence  
Central Intelligence Agency  
Washington, D. C.

Dear Mr. Dulles:

The American Sisalkraft Corporation of Attleboro, Massachusetts, which is in my congressional district, furnished some material to the Central Intelligence Agency in connection with its new building.

As a memento of the Corporation's association with your building, three officers of the company would like very much to have photographs of the President in connection with the laying of the cornerstone.

I would appreciate it if you are in the position to grant the requests of these gentlemen. They are: J.L. McKinney, Washington representative of the company, whose address is [redacted] Ray Anderson, Vice President of the company, of Attleboro, Massachusetts, and the New York representative, Harry Bornscheur, [redacted] New York.

If these photographs are available they could be mailed direct to the company or I would forward them if you preferred it that way.

Sincerely yours,
