Dear Mr. Sanders:

Thank you for your letter of 22 July to General Cabell in which you requested his autographed photograph to be dedicated to your father, Mr. George R. Sanders.

I regret that our response cannot be more favorable, but it has been and continues to be General Cabell's practice to provide autographs and photographs only to his close personal friends.

We wish you success in the opening of your special memorial lounge.

Sincerely,

Dear General Cabell:

This powerful, California radio station, with its thousands of loyal listeners, is currently making preparations for the grand opening of a special memorial lounge. It will be appropriately titled, "The Republic Room," in which are displayed the personally autographed portraits of many distinguished American leaders.

I am taking this opportunity to request such an inscribed photograph of one of the nation's outstanding military leaders. Your personally signed picture will be displayed with such illustrious luminaries as Presidents Hoover, Truman and Eisenhower; Generals George Marshall, Douglas MacArthur, Nathan Twining, Thomas White, Curtis LeMay and Lauris Norstad; Admirals Nimitz, Halsey, Leahy, Redford and Burke; Dr. Jonas Salk, Bernard Baruch, Henry Ford II, former Secretary Thomas Gates, Vice President Nixon and Adlai Stevenson, to mention only a few, who have already very graciously forwarded their signed pictures for this permanent and historic gallery.

Being thoroughly cognizant of the many demands that must be made upon you, I can only hope that you may find an opportunity to fulfill this desire. Needless to say, it will be sincerely appreciated by my father and every member of our fine staff. Any size picture you choose to send will be most acceptable as long as it bears your personal signature.

Should you be able to meet the aforementioned request, please dedicate or autograph the photograph for my father, Mr. George R. Sanders, in any way you may see fit. As you may know, he has long been a strong supporter of our great Air Force and a devoted admirer of its many excellent achievements. His syndicated "Sanders Meanders" program is heard daily on 243 radio stations in the U.S. & Canada. I know that he will be proud and pleased to announce to his vast audience that you will be properly represented in this national shrine devoted to outstanding and creative leaders.

Thanking you for any attention you may be able to give this matter, I remain,

Very respectfully yours,

George R. Sanders, Jr.
